

**5. BILL FOR THIRD READING**

**5.1. Public Sector Pensions (Amendment) Bill 2019 –  
Third Reading approved**

Mr Thomas to move:

*That the Public Sector Pensions (Amendment) Bill 2019 be read a third time.*

**The Speaker:** Bill for Third Reading, Public Sector Pensions (Amendment) Bill 2019. I call on Mr Thomas to move.

**Mr Thomas:** Thank you, Mr Speaker.

5 This is an important Bill. It covers the extension of the meaning of ‘schemes’ to include orders or regulations; it deals with the Tynwald procedure for making slightly lighter, familiar administrative changes; and it lays the ground for the judicial scheme to be incorporated into the general scheme and the principles thereof.

10 With that, I hope this House will give it the Third Reading this Bill deserves; then it can go forward to the Legislative Council for further close attention, handled with care in the Legislative Council Committee interrogation format with the Attorney General present and other officers being able to give expert opinion.

With that, I thank my seconder in advance and beg to move.

15 **The Speaker:** Mr Cannan.

**Mr Cannan:** I beg to second.

20 **The Speaker:** I put the question that the Public Sector Pensions (Amendment) Bill 2019 be read for the third time. Those in favour, please say aye; against, no. The ayes have it. The ayes have it.
