
**AIRPORTS AND CIVIL AVIATION (AMENDMENT)
BILL 2018**

Explanatory Memorandum

1. This Bill is promoted by Mr Skelly, MHK on behalf of the Department for Enterprise.
2. *Clauses 1 and 2* deal, respectively, with the Short Title and Commencement of the resulting Act.
3. *Clause 3* provides that the *Airports and Civil Aviation Act 1987* (“the Act”) is amended in the manner set out in the succeeding clauses.
4. *Clause 4* substitutes the cross-heading immediately before section 11 of the Act.
5. *Clause 5* amends section 11A of the Act to remove the reference to the *European Communities (Isle of Man) Act 1973* and to insert a new subsection, i.e. subsection (7). Subsection (7) defines the term “EU instrument”.
6. *Clause 6* inserts new sections into the Act, immediately after section 11A. Those new sections are sections 11B to 11I:
 - (a) Section 11B empowers the Department for Enterprise to make orders for the purpose of incorporating into the law of the Island any international obligation in respect of civil aviation that has been or will be extended to the Island by the United Kingdom, or for the purpose of regulating within the Island civil aviation in general. This power is expressly stated not to be limited to applying relevant UK legislation to the Island. The section gives a number of specific examples of matters that such orders may address.
 - (b) Section 11C makes it an offence to trespass on aerodromes.
 - (c) Section 11D makes provision for liability of aircraft in respect of trespass, nuisance and surface damage.
 - (d) Section 11E precludes the commencement of legal actions for nuisance where the only cause of the alleged nuisance is the noise and vibration caused by aircraft of an aerodrome that is the subject of an order under section 11, 11A or 11B. The preclusion is predicated on the conditions of any such order being complied with.
 - (e) Section 11F empowers the Department for Enterprise to demand that a specified person furnish it with information of any of the descriptions specified in the section.
 - (f) Section 11G makes specific provision for the use of documentary evidence in legal proceedings. It also creates the offence of certifying as a

true copy a document or article (of a type specified in the section) which the person certifying it knows is not in fact a true copy.

- (g) Section 11H empowers the Department for Enterprise to make regulations prohibiting or restricting flying in specified airspace of the Island or any part thereof, for a period that must be specified in the regulations and subject to such conditions as may be specified in the regulations.
- (h) Section 11I empowers the Department for Enterprise to create offences in secondary legislation. Limitations are expressly placed on this power.

- 7. *Clause 7* inserts a cross-heading immediately before section 12 of the Act.
- 8. *Clause 8* inserts two new definitions into section 12 (interpretation) of the Act.
- 9. The resulting Act is not expected to have any financial or human resource implications.
- 10. In the opinion of the member moving the Bill, its provisions are compatible with the Convention rights within the meaning of the *Human Rights Act 2001*.
