38. Building Industry Apprenticeships

The Hon. Member for Douglas South (Mrs Beecroft) to move –

That Tynwald is of the opinion that those employers in the building industry who act responsibly by providing apprenticeships should not be disadvantaged when tendering for government capital projects; that a method of allowing for this when considering such tenders needs to be investigated; that this investigation should include, but not be limited to, a method of making an allowance of a set percentage of the tender amount for each apprentice employed by an Isle of Man registered company when its tender is received; and calls on the Minister for Economic Development to investigate this and report back to Tynwald by June.

39. Public Accounts Committee Basic Expenditure and Activity Report

The Hon. Member for Douglas South (Mrs Beecroft) to move -

That Tynwald notes the conclusions of the [Report produced by the Public Accounts Committee on Basic Expenditure and Activity Review \(BEAR\)](#), debated in the July 2011 sitting of Tynwald, that the annual review which is in place is: (a) no longer fit for purpose; and (b) unimaginative and detached from reality; and is of the opinion that the Minister for the Treasury should investigate an alternative method of budget setting which is fit for purpose including, but not limited to, the zero based budget and sunset review process, and report back to Tynwald by July.
