FOR ORAL ANSWER

1. The Hon Member for Douglas North (Mr Houghton) to ask the Chief Minister -

Has your Government transmitted to the United Kingdom Government an objection to the plan to build a £300M extension of Sellafield in Cumbria and, if so, what were its terms?

2. The Hon Member for Ramsey (Mr Singer) to ask the Member for Health and Social Security -

(1) Have there been independent medical peer audits carried out into the medical specialities provided within the National Health Service; if so

(a) when was an audit last carried out;

(b) were there any causes for concern; and

- (2) what other action has your Department taken to validate the currency and competency of disciplines carried out by specialist practitioners employed by the National Health Service on the Island?
3. The Hon Member for Ramsey (Mr Singer) to ask the Member for Health and Social Security -
- (1) What steps has your Department taken to advise the general public of their right to a second medical opinion; and
- (2) on how many times has this right been exercised during the last twelve months by National Health Service patients at Noble's Hospital in respect of specialist treatment?
4. The Hon Member for Douglas North (Mr Henderson) to ask the Member for Health and Social Security -
- What value does your Department place on small private residential homes?
5. The Hon Member for Douglas North (Mr Henderson) to ask the Member for Health and Social Security -
- What procedures does your Department adopt to ensure that patients are correctly referred to nursing homes?
6. The Hon Member for Douglas North (Mr Henderson) to ask the Minister for Transport -
- How does your Department propose to address the parking problems created in the Hutchinson Square/Marathon Road/Princes Road area as a consequence of the traffic policies of your Department elsewhere in Douglas?
7. The Hon Member for Garff (Mr Rodan) to ask the Minister for Trade and Industry -
- (1) What are the constraints in connecting the public electricity supply to domestic properties served by home generators;

- (2) how many homes in the Isle of Man are without the benefit of connection to the public supply; and
- (3) in the past three years, how many quotations for electricity connection have the Manx Electricity Authority been requested to provide to such home owners?
