The form is to assist the process. It is advised that you provide as much information as possible regarding the type of information you wish to be supplied to assist **the Office of the Clerk of Tynwald** to:

- Identify you - for example, an account, staff, customer, or any reference number. If you are requesting CCTV, further information will be essential; location of camera, time and date, and an up-to-date image to identify you;
- Narrow the scope and manage the size of a request and ensure you are clear in what information you are after.
- You are not entitled to information identifying another individual, unless that person agrees and gives their written consent. If you are applying on behalf of someone else you must enclose a signed letter of consent from that person, authorising you to act on their behalf.
- Prove Identity - the Office of the Clerk of Tynwald needs to be reasonably satisfied that you are who you say you are and have sufficient detail and proof of your identity. An application must be accompanied by at least one form of identification. Ideally this will show a combination of your name, date of birth, signature and/or address (e.g. Driving Licence, Passport, Birth/Adoption Certificate, Bank Statement or rental agreement). If posting original documents it is recommended that special delivery is used, they will be returned by the same method.

Alternatively they can be scanned and sent via email (in an acceptable format – word, PDF, jpeg etc.). We reserve the right to request additional or original documentation in some cases.

If you prefer not to use the form, an application in writing can still be made, ensuring that the supporting documents listed are supplied.
