

**61. Accommodation for Vulnerable Young People –
Tenancy guarantor scheme**

The Hon. Member for Onchan (Mr Callister) to ask the Minister for the Treasury:

Pursuant to the Select Committee Report on Accommodation for Vulnerable Young People, what work has been undertaken to pilot a guarantor scheme for care leavers and estranged young people to enable them to obtain a tenancy?

The Minister for the Treasury (Mr Cannan): Due to competing priorities, the Treasury has not yet commenced work on the development of a pilot guarantor scheme for care leavers and estranged young people to enable to obtain a tenancy.

The Council of Ministers' Social Policy and Children's Sub-Committee ('SPCC') has agreed to take forward the lead in overseeing delivery and monitoring of the various actions contained in the Report of the Select Committee on Accommodation for Vulnerable Young People 2018-19 [[PP No 2019/0088](#)]. The SPCC intends to report to Tynwald Court in November 2020 with a progress update.
