Dear Honourable Member,

RE: Cost of Police Overtime in relation to recent spate of Burglaries

At the sitting of the House of Keys on the 3rd February 2015, I gave an undertaking to the House that I would inform Honourable Members of the cost of overtime incurred in relation to the investigations into the recent spate of burglaries on the Island. I can confirm that the overtime costs incurred to date on this operation are £104,844.

Yours sincerely
