That the Chief Constable's Annual Report 2020-2021 [[GD No 2021/0026](#)] be received.

11. Public Accounts Committee

The Chairman of the Public Accounts Committee (Mr Speaker) to move –

That the Public Accounts Committee Third Report for the Session 2020-2021: Audit Advisory Division [[PP No 2021/0099](#)] be received and the following recommendations be approved –

Recommendation 1

That the forward work plan for the Audit Advisory Division, and subsequent audit reports, should include information about the risk profile.

Recommendation 2

That risks should be assigned an overall risk rating of high, medium or low in line with the classification used in the Statement of Internal Control which reflects the likely impact on service delivery/staff/the public or Government's reputation should recommendations not be completed.

Recommendation 3

That Council of Ministers should receive a quarterly report detailing all high risks, where a fundamental or significant audit recommendation is made, to include recommended corrective actions, the anticipated resolution date and an update from the responsible Accountable Officer if this date has been breached.

Recommendation 4

That a standard risk management framework is adopted for use across Isle of Man Government Departments, Boards and Offices and that training in how it is applied to the assessment of risk is delivered to all officers who are required to undertake that work as part of their role.

[\[GD No 2021/0047\]](#) is relevant to this item.

12. Social Affairs Policy Review Committee

The Chairman of the Social Affairs Policy Review Committee (Ms Edge) to move –

That the Second Report of the Social Affairs Policy Review Committee for the Session 2020/12: Mental health and suicide follow-up report [\[PP No 2021/0127\]](#) be received and that the following recommendations be approved:

Recommendation 1

That Tynwald is of the opinion that mental health is everyone's business; and notes that pressures on the mental health of the Island, which were already severe, have been made worse by the pandemic.

Recommendation 2

That the Department of Health and Social Care, working with Manx Care, should ensure that awareness of mental health issues is raised and that clear information is provided to the public on how to seek help.

Recommendation 3

That the stepped care model of mental health support should be adequately resourced at every level, with pathways allowing service users to step up and down according to their need; and that this should be a high priority for the Department of Health and Social Care and Manx Care.

Recommendation 4

That resources must be found as a matter of urgency to implement in full the Tynwald resolutions of January 2019 and February 2020 relating to mental health and suicide.

[\[GD No 2021/0057\]](#) is relevant to this item.

13. Social Affairs Policy Review Committee

14. Environment and Infrastructure Policy Review Committee: The Regulation of the Safety and Quality of Cow's Milk

The Chairman of the Environment and Infrastructure Policy Review Committee (Mrs Barber) to move –

That the Environment and Infrastructure Policy Review Committee's First Report for the Session 2020-2021: The Regulation of the Safety and Quality of Cow's Milk [[PP No 2021/0100](#)] be received and the following recommendations be approved:

Recommendation 1

That the Department of Environment, Food and Agriculture should develop and implement a rating scheme for food producers, based on the publication of the results of tests and inspections carried out for each food business and any other relevant information; and report to Tynwald with progress on implementing the scheme by December 2021.

Recommendation 2

That the Department of Environment, Food and Agriculture should develop an escalation framework for food safety and quality issues, clearly setting out the trigger points for progression through the various enforcement options.

Recommendation 3

That the Department of Environment, Food and Agriculture should work with the Milk Marketing Association to develop an improved testing regime for producer-retailers; and report back to Tynwald on progress by December 2021.

Recommendation 4

That Tynwald is of the opinion that the regulation of any industry should be separated from its promotion; and calls on the Council of Ministers to take this principle into account when developing a new framework for regulation in the Isle of Man.

[[GD No 2021/0062](#)] is relevant to this item.

15. Constitutional and Legal Affairs and Justice Committee: Role of the Attorney General

The Chairman of the Constitutional and Legal Affairs and Justice Committee (Mrs Poole-Wilson) to move –

That the Constitutional and Legal Affairs and Justice Committee’s Third Report for the Session 2020-21: Role of the Attorney General [[PP No 2021/0107](#)] be received and the following recommendations be approved:

Recommendation 1

That the recommendation made by Stephen Wooler to redefine the relationship between the Attorney General and the Director of Prosecutions as one of superintendence, with prosecutions being brought in the name of latter, be formally implemented without further delay.

Recommendation 2

That the legal advisor to the executive be entirely separate from the legal advisor to Tynwald and its Branches.

Recommendation 3

That the Government conduct a review in order to identify effective solutions to address the issues raised in this report; and that it report back to Tynwald by December 2022.

[[GD No 2021/0053](#)] is relevant to this item.

16. Environment and Infrastructure Policy Review Committee: The Meat Plant

The Chairman of the Environment and Infrastructure Policy Review Committee (Mrs Barber) to move –

That the Environment and Infrastructure Policy Review Committee’s Third Report for the Session 2020-2021: The Meat Plant [[PP No 2021/0150](#)] be received.

17. Constitutional and Legal Affairs and Justice Committee: Adverse Possession

The Chairman of the Constitutional and Legal Affairs and Justice Committee (Mrs Poole-Wilson) to move –

That the Constitutional and Legal Affairs and Justice Committee’s Second Report for the Session 2020-21: Adverse Possession [[PP No 2021/0106](#)] be received and the following recommendations be approved:

Recommendation 1

That the Land Registration Act 1982 be amended to introduce the same application, notification and response procedures as contained in the Land Registration Act 2002 of England and Wales in respect of adverse possession claims over registered land.

Recommendation 2

That the requirements of the application process for the registration of land be reviewed with a focus on improvements that could facilitate the consistency, accuracy, efficiency and appeal of first registration.

Recommendation 3

That a central and collaborative online platform be developed which is capable of capturing and granting public access to a wide range of information in relation to land, including about local planning applications or developments which might affect the land's value or use.

Recommendation 4

That the sufficiency of the current triggers for compulsory land registration be reviewed and that consideration be given to introducing the following additional triggers:

- Conveyance not on sale (including appointment of new trustees)
- Gift on marriage
- Assent (probate)
- First charge
- Freehold on registration of a lease
- Lower minimum lease term
- Receipt of Agricultural Payments

Recommendation 5

That the Council of Ministers use its existing power under the Land Registration Act 1982 to direct the registration of all Government landholdings; and that it report back to Tynwald no later than February 2022 with details of how this will be executed.

Recommendation 6

That a reduction of the fee for voluntary registration of land be considered.

Recommendation 7

That an inquisitorial process by the Land Registrar be formalised in procedure to decide disputed cases of land ownership in first instance and that the ability to offer preliminary opinions without prejudicing formal hearings be facilitated in statute.

[\[GD No 2021/0052\]](#) is relevant to this item.

18. Select Committee on Poverty

The Chairman of the Select Committee on Poverty (Mr Speaker) to move –

That the Select Committee of Tynwald on Poverty First Report for the Session 2020-2021: Income and Benefits [[PP No 2021/0105](#)] be received and the following recommendations be approved –

Recommendation 1

That the Council of Ministers should ensure actions approved by Tynwald contained in the First Report of the Select Committee on Poverty are completed by the 31st December 2021, and make a report to Tynwald to confirm that this has been done no later than February 2022.

Recommendation 2

That the Council of Ministers should report annually to Tynwald on poverty measures including the effect of Government actions being undertaken which have the aim of reducing poverty.

Recommendation 3

That service level agreements be put in place with accredited charities to allow funding streams and processes for referrals and information sharing which would assist service users.

Recommendation 4

That the cost of living comparison, last published by Treasury in July 1991, should be repeated, by December 2022, to better understand the differential between the Isle of Man and the UK.

Recommendation 5

That Tynwald is of the opinion that 100% of pension contributions, up to a defined maximum, are discounted when calculating income in relation to entitlement to Employed Persons Allowance.

Recommendation 6

That Council of Ministers should have an overarching statement which sets out to what degree, and on what terms, it accepts poverty in our society; this must reference the measures agreed by Tynwald in our first report.

Recommendation 7

That Tynwald is of the opinion that the minimum wage should transition to the living wage within five years.

Recommendation 8

That Tynwald is of the opinion that benefit rates should be set as a proportion of the living wage; with provision for additional needs to be met.

Recommendation 9

That Tynwald is of the opinion that the capital tariff factor needs reform to be more reflective of the income that can be generated from the asset rather than its capital value.

Recommendation 10

That Tynwald is of the opinion that free school meals should be made available wherever there appears to be reasonable justification to support the needs of the child.

Recommendation 11

That all clients should be provided with appropriate support to ensure they are able to claim all benefits to which they are entitled, that they are aware of any passported benefits and connected to any relevant third party support services.

Recommendation 12

That the application forms and processes should be as simple as possible, with interdepartmental information sharing in place to provide key pieces of evidence quickly and efficiently and with access to online applications.

Recommendation 13

That where claims can only be made for a specified period of time, a further application will not require all information to be re-input, but a simple review and resubmission.

Recommendation 14

That Tynwald is of the opinion that free travel passes should be included in the range of passported benefits available to those on low incomes.

Recommendation 15

That Tynwald is of the opinion that essential Government telephone numbers – for example those relating to health, housing or finances, should be free to call.

That the Value Added Tax (Miscellaneous Amendments) Order 2021 [[SD No 2021/0197](#)] [[MEMO](#)] be approved.

49. COVID memorial garden

The Hon. Member for Arbory, Castletown and Malew (Mr Moorhouse) to move –

That Tynwald is of the opinion that a memorial garden should be created in the South of the Island, as an appropriate and lasting place to remember each of the local residents who were lost and the impact of the COVID-19 pandemic on the Island's people; the garden would be an area where future generations could consider the full implications of the associated challenges on the Island and its people; and that the Chief Minister should report to Tynwald by January 2022 on a suitable location, relevant costings for its development and a plan for future maintenance.

50. Telecommunications masts

The Hon. Member for Douglas Central (Mr Thomas) to move –

That Tynwald:

- a) receives the Council of Ministers' Report on a Review of the Town and Country Planning (Telecommunications) Development Order 2019 [[GD No 2021/0039](#)]; and is of the opinion that The Town and Country Planning (Telecommunications) Development Order 2019 [[SD No 2019/0393](#)] should be revoked; and
- b) calls on the Council of Ministers: i) to publish the location of all telecommunications masts and similar infrastructure that support public residential and business telecoms systems; ii) to specify the strategic national need for new telecommunications infrastructure to satisfy demand that cannot otherwise be secured by mast sharing and other use of existing infrastructure in the light of Infrastructure Policy 3 in the Strategic Plan 2016; and iii) to investigate how to improve planning and communications legislation and policy that supports the delivery and maintenance of telecommunications infrastructure, including the issuance of a Planning Policy Statement and a National Policy Directive and amendment of the Electronic Communications Code; and to report back to Tynwald by January 2022.

51. Reform of budgeting system

The Hon. Member for Rushen (Mr Speaker) to move –

That Tynwald is of the opinion that the Budget procedure is in need of reform; and requests the Treasury (a) to produce a rolling three year financial forecast; (b) to publish its plan to eliminate the structural deficit; and (c) to lay by February 2022 proposed changes to Budget procedure to permit:

- i. Members of Tynwald to take advice independently of Treasury in considering the budget;
- ii. A period of four weeks' publication between delivering the budget and a Tynwald vote on its contents to allow examination by scrutiny committees;
- iii. Any member to amend the budget to remove specified items of capital expenditure;
- iv. Any member to amend the budget to reduce an increase in expenditure in any area not required by statute; and
- v. Any member to amend the budget to propose an increase in any fee or charge.

52. Meat Plant tender process

The Hon. Member for Douglas East (Mrs Barber) to move –

That Tynwald notes that, in the course of the inquiry by the Environment and Infrastructure Policy Review Committee into the Meat Plant, the Department admitted that it had lost papers relating to a tender; and Tynwald requests an explanation from the Minister for Environment, Food and Agriculture as to the circumstances of the failure.

53. Chief Executive Officers of public bodies

The Hon. Member for Onchan (Ms Edge) to move –

That Tynwald is of the opinion that in future the terms of employment of the Chief Executive Officer or equivalent of every Government Department, Board and Office, whether recruited externally or internally, should include annual performance-related targets; and that the pay structure for such officers should be reviewed to include a performance-related element; and that the Council of Ministers should report on the review by December 2022.

54. Library Provision

The Hon. Member for Douglas Central (Mr Thomas) to move –

That Tynwald is of the opinion that:

- a) The future for Island library services lies in increased co-operation, which the current piecemeal funding arrangements will not support; the detailed investigation into public library services specified in the Tynwald resolution of July 2018 should be laid for consideration no later than July 2022; and
- b) The Family Library Limited is a much valued part of the Island's library provision; it should be sustained through public co-funding of an inflation-indexed £125,000 per year from bona vacantia funds or otherwise.

[\[PP No 2018/0046\]](#) and [\[GD No 2018/0033\]](#) are relevant to this item.

55. Registration of Unoccupied Urban Sites

The Hon. Member for Douglas Central (Mr Thomas) to move –

That Tynwald:

- a) receives the Report for Un-occupied Urban Sites Register: East, dated November 2020 [[NN No 2021/0012](#)], including the annexed register and map;
- b) approves the Un-occupied Urban Site i) Definition (section 2, page 7) and ii) Assessment Criteria (section 3, page 8) in it;
- c) calls on Cabinet Office to call for sites for inclusion in the Register; and
- d) requires the Cabinet Office to review, update and republish the Un-occupied Urban Sites Register by January 2022.

56. Tynwald Members' Enquiries

The Hon. Member for Arbory, Castletown and Malew (Mr Moorhouse) to move –

That Tynwald is of the opinion that responses to Tynwald Members' enquiries to Government Departments, Boards and Offices should be timely and appropriate; the Government should produce guidance for officers on the time limits for an initial response and substantive answers; there should be a clear mechanism in place to allow a review of the adequacy of the response; and that the Council of Ministers should report to Tynwald in October on provision of such guidance and recommendations for implementation.

57. General Debate (Appointment of a Children's Commissioner)

The Hon. Member for Garff (Mrs Caine) to move a General Debate on the merits of appointing a Children's Commissioner for the Isle of Man.

58. General Debate (Management of Capital Projects)

The Hon. Member for Douglas East (Mr Robertshaw) to move a General Debate on the management of capital projects.
