

## Register of Tradesmen desirous of receiving Specifications for work in connection with Government Buildings.

---

All firms wishing to have their names recorded on the Official List, to be kept at the Government Office as a Register of those desirous of receiving, from time to time, specifications and particulars of work to be carried out in connection with Government Buildings should submit their names and addresses without delay.

Separate Registers will be kept for Douglas, Ramsey, Peel, and Castletown. Therefore Contractors who wish to receive specifications of work outside their own district should state the fact.

B. E. SARGEAUNT,  
Government Secretary.
