

## PUBLIC DUTY IN CONNECTION WITH FINANCE.

---

His Excellency the Lieutenant-Governor desires to bring to the notice of the people of the Island the following remarks made by the Chancellor of the Exchequer in the House of Commons yesterday:—

**“ In this tremendous struggle finance is going to play a great part. It will be one of the most formidable weapons in this exhausting war, and anyone who for selfish motives of greed or through excessive caution or cowardice goes out of his way to attempt to withdraw sums of gold and appropriate them to his own use. let it be clearly understood that he is assisting the enemies of his native land.”**

By order,

B. E. SARGEAUNT,

Government Secretary.

Government Office,  
Isle of Man,
