

Ref. No. 7657/3.

STORAGE OF PETROLEUM FOR THE PURPOSES OF LIGHT LOCOMOTIVES.

The attention of motorists and others concerned is directed to the Regulation dated the 16th February 1920 (a copy of which is appended), made by His Excellency the Lieutenant-Governor, under Section 7 of the Highways Act, 1899, as to the keeping of Petroleum for the purposes of Light Locomotives (Motor Cars, &c.)

Copies of the Regulation may be obtained on application to Messrs S. K. Broadbent and Co., Ltd., Douglas, price 1d. each.

Locomotive.—Petroleum.

Regulation dated 16th February, 1920, made by His Excellency the Lieutenaht Governor, amending Regulations under Section 7 of the Highways Act, 1899, as to the keeping of Petroleum for the purposes of Light Locomotives.

Notwithstanding anything in No. 10 of the Regulations dated 1st January, 1914, petroleum spirit may be kept for the purposes of light locomotives in iron or steel drums or barrels of a capacity not exceeding 50 gallons, provided the following conditions are observed :

- (a) The storehouse must be situated at a distance of at least 20 feet from any other building or any highway or public footpath.
- (b) Provision must be made by excavation or by the erection of retaining walls to prevent outflow of the spirit in the event of fire if such outflow would be likely to endanger life or cause damage to the property of others.
- (c) Notice shall be given to the Government Secretary and any duly authorised officer under the Dangerous Goods Acts, 1871 and 1881, shall be allowed to inspect the spirit in the same manner as is provided in No. 7 of the said Regulations.

This Regulation shall remain in force until 31st December, 1923, unless sooner revoked.

16th February, 1920

W. FRY, M.G.,

Lieutenant-Governor.
