CATTLE DISEASES PREVENTION ACTS.

LICENSING OF CATTLE MARTS.

HIS EXCELLENCY THE LIEUTENANT-GOVERNOR has made a new Order dated the 5th day of March, 1920 (a copy of which is appended) revoking the Order bearing date the 8th day of July, 1913, dealing with the Licensing of Cattle Marts.

The new Order comes into force on 1st April, 1920, and continues the requirements of the old Order as to paving, draining and disinfection of Marts, but it alters the procedure governing the issue of the Certificates.

By Order,

B. E. SARGEAUNT,

Government Office,  
Isle of Man,  
6th March, 1920.

Government Secretary.

By His Excellency the Lieutenant-Governor.

A PROCLAMATION.

WHEREAS, under Section 4 of the Cattle Diseases Prevention Act, 1865, it is lawful for the Governor, by and with the advice and consent of two members of the Council, to make orders and regulations for the purpose of purifying any yard, stable, out-house, or other place, and for the removal of cattle, horses, sheep, or other animals, from place to place in order to prevent the spreading of any contagious or infectious disease.

NOW I, the said Lieutenant-Governor, by and with the advice and consent of two members of the Council, do hereby order as follows:—

1. On and after April 1st, 1920, the proprietor of a Mart shall not permit any cattle, horses, sheep or other animals to be removed into such Mart, and no person shall remove any cattle, horses, sheep, or other animals into a Mart unless such Mart shall have been paved and drained to the satisfaction of an Inspector under the Cattle Diseases Prevention Acts, and a certificate shall have been issued by the Government Secretary to the proprietor of such Mart signifying the approval of the Lieutenant-Governor to such Mart, which certificate shall be exhibited in the Mart and shall endure for the period of twelve calendar months only from the date thereof, when a certificate for a further period of twelve months must be obtained.

2. On and after April 1st, 1920, the proprietor of any Mart shall not remove or permit to be removed into such Mart any cattle, horses, sheep, or other animals unless such Mart shall have been purified and disinfected in the presence of an Officer of Police, in accordance with the manner herein described, within a period of twenty-four hours immediately following the holding of the previous auction in such Mart.

METHOD FOR PURIFYING AND DISINFECTING.

3. All refuse, hay, straw, litter, and other articles to be removed from the Mart, and such refuse, hay, straw, and litter shall be destroyed. The walls, stalls, and fittings to be limewashed or sprayed with water containing one quart of liquid carbolic acid (containing not less than 97 per cent of real tar acid) to every 30 quarts of water; the floor to be scoured with water and carbolic acid mixed in like proportion as above.

4. This Order may be cited as "The Marts Order, 1920." The Order made by the Lieutenant-Governor dated 8th day of July, 1913, is hereby repealed.

Given this 5th day of March, 1920.

W. FRY, M.G.,  
Lieutenant-Governor.
