

Government Circular, No. 937.

Reference No. 14147/1.

G.

R.

RESTORATION OF NORMAL TIME.

HIS EXCELLENCY THE LIEUTENANT-GOVERNOR desires to draw attention to the fact that at **3 a.m.** (Summer Time) in the morning of **Monday, 3rd October, Greenwich Time will be restored** by putting back the clock to 2 a.m. The hour 2—3 a.m. Summer Time will thus be followed by the hour 2—3 a.m. Greenwich Time.

All Railway Clocks and Clocks in Post Offices and Government Establishments will be put back one hour, and **His Excellency requests the public to put back the time of all clocks and watches by one hour during the night of Sunday—Monday, 2nd—3rd October.** Employers are particularly recommended to warn all their workers, in advance, of the change of time.

From 3rd October onwards Greenwich Time will be observed for **ALL** purposes.

B. E. SARGEAUNT,

Government Secretary.

Government Office,

Isle of Man.

23rd September, 1921.

NOTE.—The hands of ordinary **STRIKING** clocks should not be moved backwards; the change of time should be made by putting forward the hands eleven hours, and allowing the clock to strike fully at each hour, half hour, and quarter hour, as the case may be. (The hands should not be moved while the clock is striking). An alternative method, in the case of pendulum clocks, is to stop the pendulum for an hour.

C. & F.—100/20/9/21.
