ISLE OF MAN  
TO WIT

By: His Excellency Sir Ronald Herbert Garvey, K.C.M.G., K.C.V.O.  
M.B.E., Lieutenant Governor of the said Isle, &c., &c., &c.

Whereas it is provided by section 13 (1) of the Local Government Amendment Act 1929 as amended by section 6 (1) of the Pensions (Increase) Act 1957 that:

“A local Authority may prepare and submit for the approval of the Local Government Board a scheme for the payment of superannuation allowances and pensions to the officers, servants and employees of such local Authority and to the widows and dependants of deceased officers, servants and employees of such local Authority. The Board shall not approve of any scheme submitted under this section unless such scheme complies with regulations which the Governor is hereby authorised to make with the approval of a resolution of Tynwald”

And whereas the Governor under the aforesaid powers on the 9th day of April 1936 made Regulations (hereinafter called “the 1936 Regulations”) with respect to the preparation of schemes for superannuation on a contributory basis of officers and servants employed whole time in the permanent service of local Authorities otherwise than by way of manual labour and occupying posts designated by the employing authority as established posts, such Regulations being approved by Tynwald on the 12th day of May 1936

And whereas it is desirable to amend such Regulations

Now I, the said Lieutenant Governor Do hereby make the following Regulations with which any scheme prepared for such purposes shall comply

1. Provision may be made for the payment of superannuation allowances and pensions on a contributory basis as hereinafter prescribed to officers, servants or employees (other than those who are manual workers) employed whole time in the service of a local Authority and to the widows and dependants of such officers, servants and employees

2. A local Authority employing not less than fifty such officers, servants and employees may, after considering an estimate certified by an actuary of the cost to the local Authority, establish a superannuation fund.

3. (1) A local Authority which has established a fund may, on such terms and conditions as they think fit and with the approval of the Local Government Board, admit any officers, servants or employees (other than those who are manual workers)

(a) employed whole time in the permanent service of any other local Authority, and

(b) employed whole time in the service of any undertaking constituted under an Act of Tynwald or under an order having the force of an Act of Tynwald,

at the request of such other local Authority or undertaking to participate in the prescribed benefits of the fund in the like manner as though they were officers, servants or employees of such first-mentioned local Authority

(2) Any Authority or undertaking any of whose officers, servants or employees are admitted as aforesaid shall have all such powers as may be necessary for the purpose of giving effect to such terms and conditions shall be made out of the same funds, rates or revenues as those out of which the salary of such officers, servants or employees are paid

4. The scheme may embody, with any necessary modifications and adaptations, any of the provisions of the Local Government Superannuation Acts, 1937 and 1953 (being Acts of the Imperial Parliament) and of any Acts of the Imperial Parliament amending the same and of the Rules and Regulations made thereunder with regard to

- (a) the title to superannuation allowances
- (b) the scale of superannuation allowances
- (c) lump sum payments
- (d) short service grants
- (e) death grants
- (f) widows' or dependants' pensions
- (g) allocation of pensions for widows or dependants
- (h) injury allowances
- (i) forfeiture for fraud
- (j) the rates of contributions
- (k) the return of contributions
- (l) the establishment and management of the fund
- (m) transfers of officers, servants or employees

5. The scheme shall provide that any person who at the time that these Regulations shall come into force is participating in any scheme made in compliance with the 1936 Regulations may elect whether he shall continue to participate in such last-mentioned scheme or whether he shall participate in the scheme made in compliance with these Regulations

6. The 1936 Regulations are hereby revoked but without prejudice to the continued operation of any scheme made in compliance therewith in relation to any person who under the last foregoing regulation shall have elected to continue to participate therein

GIVEN under my hand this 23rd day of September 1960

R. H. GARVEY

Lieutenant Governor

The foregoing Regulations were approved by Tynwald on the 18th day of October 1960
