

NATIONAL INSURANCE (Isle of Man) ACT, 1961

Notice of intention to apply to contract
Officers of the Isle of Man Constabulary out
of the State Graduated Pension Scheme

Regulation 3 of the National Insurance (Isle of Man) (Non-participation - Certificates) Regulations, 1961.

1. This notice is addressed to all men who, for the purposes of the Isle of Man Police Pensions Regulations, 1956, (as amended), are regular policemen in the police force in the Isle of Man.

2. The Governor is making regulations under Section 14 of the National Insurance (Isle of Man) Act, 1961, modifying in certain respects the Isle of Man Police Pensions Regulations so as to make employment as a regular policeman in the Isle of Man, subject to the exceptions mentioned in paragraph 4, below, eligible to be contracted out of the state graduated pension scheme introduced by the 1961 Act.

3. The Governor hereby gives notice expiring on 21st March, 1961, that he intends thereafter to elect that the employment specified in paragraph 4, below, shall be non-participating employment for the purposes of Part II of the National Insurance (Isle of Man) Act, 1961.

4. The superannuation scheme concerned in the election is that contained in the Isle of Man Police Pensions Regulations, 1956, (as amended). The employment referred to in the preceding paragraph is, subject to limited exceptions mentioned below, that as a regular policeman in the Isle of Man, that is to say employment in the Isle of Man in which a person's service qualifies him under the regulations, for benefits by way of pension, otherwise than by way only of injury pension, being employment as a member of the police force. It does not include such employment where the regular policeman concerned will not become entitled to a pension under the Regulations for the time being in force, on the assumption that he continues to serve as a regular policeman in the rank he holds until he may be required to retire on account of age. It does not include service in the armed forces which is treated for the purposes of the Isle of Man Police Pensions Regulations as

service as a regular policeman. Regular policemen who, on 3rd April, 1961, are 65 years of age or more, will, by virtue of the 1961 Act, be ineligible to be contracted out of the State graduated scheme.

5. The Registrar of Non-participating Employments may, if he thinks fit, in the light of any representations made by persons to whom this notice is given, or by organisations representing those persons, defer the issue of a certificate to enable the decision to apply for contracting out to be further considered.
