

ISLE OF MAN
TO WIT.

By His Excellency Sir Peter Hyla Gawne Stallard,
K.C.M.G., C.V.O., M.B.E., Lieutenant Governor
of the said Isle, &c., &c., &c.

THE GAS REGULATION ACT, 1927.

THE GAS (PRESCRIBED CALORIFIC VALUE) (PEEL)
ORDER, 1971.

WHEREAS the Gas Committee of Tynwald (hereinafter referred to as "the Committee") has made application to me for approval to an increase in the calorific value of gas supplied by the Committee from the Peel Gas Works to consumers in the Town of Peel from 500 British Thermal Units per cubic foot to 625 British Thermal Units per cubic foot because of proposed changes to butane/air plant system of supply

AND WHEREAS I ordered an enquiry to be held under section 4 of the Gas Regulation Act 1927 (hereinafter referred to as "the Act") and the report of the qualified gas referee thereon recommends me to make such an Order

AND WHEREAS my intention to make such an Order was published in newspapers circulating in the Isle of Man and no objection thereto has been received.

NOW, therefore, I, the said Lieutenant Governor in exercise of the powers conferred on me by section 4 and 6(1) of the Act do hereby ORDER -

- (1) THAT with effect from the date referred to in paragraph (3) hereof the prescribed calorific value of gas to be supplied by the Committee from the Peel Gas Works to the Town of Peel shall be 625 British Thermal Units per cubic foot ascertained as prescribed by section 9 of the Act;

- (2) THAT the Committee shall take at its own expense such steps as may be necessary to alter adjust or replace the burners and consumers' appliances as to secure that such gas can be burned with safety and efficiency except in the case of any consumer who objects to any such alteration adjustment or replacement by such Committee;
- (3) THAT the Committee shall publish notice of the date of opening of the proposed new plant producing gas of such calorific value in such manner as may be approved by me.

AND I DO FURTHER ORDER that the Order of the Lieutenant Governor dated the 21st day of October 1929 made under the Gas Regulation Act 1927 relating to the Peel Gas Light Company shall be amended by the insertion of the following paragraph next after paragraph 1 of that Order:-

"1A. That the Gas Committee of Tynwald shall on and after a date to be prescribed by the Lieutenant Governor supply gas for public use in the Town of Peel of the standard calorific value of not less than 625 British Thermal Units ascertained as prescribed by section 9 of such Act and such value shall be deemed to be the prescribed calorific value of the gas supplied by such Committee in such district for the purposes of the said Act and of any other Acts relating to or affecting the Committee."

GIVEN under my hand this 26th day of February, 1971.

P.H.G. STALLARD,

Lieutenant Governor.

This Order was approved by Tynwald on 23 MAR 1971
