11.3 If an award is withdrawn, the student is liable to repay any payments made (including payments made in previous years).

12. **Provisional award**

The maintenance award for a sandwich course is calculated in accordance with paragraphs 1 and 2 by reference to the periods of full-time study at the institution.

Expenses will not be reimbursed for travel otherwise than by the cheapest route and class. Claims should normally be made at the end of the academic year.

- 6.2 The sum of £75 for each dependent child of the contributor in full-time education (other than the student) is to be deducted from the amount of the reduction.
- 6.3 If in any academic year the income of a contributor is taken into account for the purpose of determining maintenance grants for more than one student, the reduction under paragraph 6.1 is to be apportioned among the students in such manner as the Department thinks fit. If during an academic year the number of students in respect of whom the income is taken into account changes, the Department shall recalculate the reduction accordingly.
- 6.4 Where a person and his spouse are both contributors in respect of a student, the Department may in its discretion disregard the income of either one of them if -
- (a) one of them dies, or
