

**THE LAXEY GLEN MILLS LIMITED
MILLING WHEAT (AMENDMENT) SCHEME 2006**

Approved by Tynwald

26th April 2006

Coming into operation in accordance with paragraph 1(2) 26th April 2006

1. Citation and Commencement

(1) This Scheme may be cited as the Laxey Glen Mills Limited Milling Wheat (Amendment) Scheme 2006.

(2) This Scheme shall come into operation on the day it is approved by Tynwald.

2. Amendments to GC 11/02

In paragraph 5 of the Laxey Glen Mills Limited Milling Wheat Scheme 2002¹ –

(a) in sub-paragraph (3), at the end of the paragraph insert –

“Contracts for the harvest of 2007 will be awarded based upon the harvests of 2002, 2003, 2004 and 2005, with the average of the best three of these four years forming the contract level for 2007, and subsequent years’ contracts will be decided on the same basis rolling forward.”;

(b) for sub-paragraph (7), substitute –

“(7) A grower who has had milling wheat purchased by the Mill in fewer than four of the years used for calculating contracts for the 2007 harvest onwards may opt to be classified as a grower who has not previously had milling wheat purchased.”.

¹ G.C. No. 11/02: as amended by GC 21/04

Phil Gawne

Minister for Agriculture, Fisheries and Forestry

EXPLANATORY NOTE

(This note is not part of the Scheme)

These amendments to the Laxey Glen Mills Limited Milling Wheat Scheme 2002 provide that –

- the quantity of milling wheat for which contracts may be awarded for the 2007 harvest and for subsequent harvests shall be based upon the average quantity of the best three out of the preceding four fully-completed harvest years;
- in determining a contract in respect of any harvest year, a grower who has had milling wheat purchased by the Department in only one or two of the preceding four fully-completed harvest years may opt to be classified as a grower who has not previously had milling wheat purchased.
