## EXPLANATORY NOTE

(This is not part of the Regulations)

These Regulations amend the National Health Service (General Medical and Pharmaceutical Services) Regulations 1978, which regulate the terms on which doctors and chemists provide general medical services and pharmaceutical services under the National Health Service (Isle of Man) Act 1948.

Schedule 3 to the 1978 Regulations contains a list of drugs and other substances for which a doctor may not issue a prescription for supply under pharmaceutical services and which may not be dispensed under those services.

Regulation 2(a) of these Regulations removed certain drugs or other substances from Schedule 3 to the principal Regulations, thus allowing them to be prescribed and dispensed under the National Health Service.

Regulation 2(b) includes certain drugs or other substances in that list, thus prohibiting them from being prescribed or dispensed under the National Health Service.

Regulation 2(c) includes another drug in Schedule 4 to the principal Regulations, which lists drugs which may be prescribed only in certain circumstances.
