## **EXPLANATORY NOTE**

*(This note does not form part of the Regulations)*

### ***Isle of Man Harbours***

Harbour Dues Regulations apply to the harbours vested in the Department of Transport:

DOUGLAS; LAXEY; RAMSEY; PEEL; PORT ERIN; PORT ST. MARY;  
CASTLETOWN & DERBYHAVEN.

### ***Liability to pay Harbour Dues***

Chapter II of the Harbours (Isle of Man) Act 1961 makes provision as to the liability of persons to pay harbour dues (which may be on a vessel entering and using a harbour, goods landed or loaded, and passengers embarked or disembarked). It is the master or owner of the vessel who is liable to pay those harbour dues.

### ***Harbour Dues (Fishing Vessels, Work Boats and Construction Barges) Regulations 2005***

The Harbour Dues (Fishing Vessels, Work Boats and Construction Barges) Regulations 2005 provide for new rates of Harbour Dues to be applied with effect from 1 April 2005 in respect of fishing vessels, work boats and construction barges, and replace dues in respect of such vessels which were applied by the Harbour Dues (Fishing Vessels, Work Boats and Construction Barges) Regulations 2004 (*SD 29/04*). Dues are calculated according to the length of stay of the vessel and the gross registered tonnage of the vessel. Dues may be paid for each entry to harbour or they may be paid on an annual basis for the year ending 31 March, if the owner elects.

If goods are landed from or loaded onto a fishing vessel, work boat or construction barge, goods dues are chargeable at the same rates as apply to other merchant vessels. However, goods dues on fish landed from a fishing vessel ceased to be charged from 1 April 1995. No passenger dues are payable in respect of passengers embarking on or disembarking from a fishing vessel or work boat (but without prejudice to passenger dues being charged in respect of such passengers if the fishing vessel or work boat is used to ferry the passengers to and from another vessel such as a cruise liner, in which case passenger dues would be charged in accordance with the principal Regulations). The principal Regulations are the Harbour Dues (Merchant Vessels) Regulations 2005, (*SD 5/05*) which came into operation on 1 April 2005.

Dues paid in respect of a fishing vessel, work boat or construction barge cover entry into a single harbour unless an annual payment is made, in which case the dues cover entry into, and use of, all harbours.

These Regulations replace the Harbour Dues (Fishing Vessels, Work Boats and Construction Barges) Regulations 2004 (*SD29/04*). The existing harbour dues rates contained in those Regulations commenced on 1 April 2004 and remain in force until superseded. The new rates set out in these Regulations, which supersede the existing rates, come into force on 1 April 2005.
