MERCHANT SHIPPING (FEES) REGULATIONS 2006

Approved by Tynwald: 21st March 2006¹

Coming into operation: 21st March 2006¹

In exercise of the powers conferred on the Department of Trade and Industry by Section 17(1) of the Merchant Shipping (Miscellaneous Provisions) Act 1996² and all other powers enabling it in that behalf, and with the consent of the Treasury, the following regulations are hereby made:-

PART I - GENERAL

Citation and commencement

1. These regulations may be cited as the Merchant Shipping (Fees) Regulations 2006 and subject to Section 17(2) of the Merchant Shipping (Miscellaneous Provisions) Act 1996 shall come into operation on the 21st March 2006¹.

Interpretation

2. For the purposes of these regulations:

“Cargo ship” means a mechanically propelled ship which is not a passenger ship, troop ship, pleasure vessel or fishing vessel;

“Commercial yacht” means a vessel which is registered under Part 1 of the Registration Act and is described in the register and on the certificate of registry as a commercial vessel and is not a pleasure vessel;

“Company” means the owner of the ship or any other organisation or person such as the manager, or the bareboat charterer, who has assumed the responsibility for operation of the ship from the

PART II - SURVEY AND CERTIFICATION FEES

Hourly charges for merchant vessels

5. Schedule 1, fees for any work done including any audit, survey, inspection or examination or similar work in connection with any merchant vessel shall have effect.

Hourly charges for fishing vessels

6. Schedule 2, fees for any work done including any audit, survey, inspection or examination or similar work in connection with any fishing vessel shall have effect.

Additional charges

7. (1) In the course of undertaking any work for which charges are due under regulations 5 or 6 where the surveyor undertaking the work is required to travel to the location of the vessel, the Department shall, in calculating the total fees due, include the costs of the surveyor's travel and subsistence.

(2) Where a surveyor is required to travel to the location of the vessel, for each day of travel on a day during which no survey work is undertaken, or in the case of a day when, after travel it would be unreasonable for the surveyor to commence work on that day prior to obtaining sufficient rest an additional charge of £525 shall be payable.

(3) Where a surveyor is required to travel to the location of the vessel, for each day a surveyor is kept waiting and is unable to commence work an additional charge of £525 shall be payable.

(4) The Department may waive at its discretion one or more days charges under subparagraphs (2) or (3) where the delay arises through causes outside the control of the operator of the ship.

Certificate fees

8. Schedule 3, fees for the issue of statutory certificates shall have effect.

Assessment and approval of manuals and plans

9. Schedule 4, fees for the assessment and approval of manuals and plans shall have effect.

Seafarers certificates and documents

10. Schedule 5, fees for the issue of Seafarers certificates and documents shall have effect.

PART III - ALTERNATIVE FEES SCHEME AND FIXED FEE

Fixed fee

11. (1) Notwithstanding the fees specified in regulations 5 to 9, the Department may charge a fixed fee for the inspection, registration and issue of certificates for any new build or registry transfer.

(2) The fixed fee specified at (1) shall include the cost of surveyors travel and subsistence.

Alternative fees

12. (1) In lieu of the charges specified in regulations 5, 7 and 8 in respect of any cargo ship, commercial yacht or MODU an operator may elect to pay a fee which shall entitle them to:

- (a) the conduct of intermediate and renewal audits of the ships Safety Management System in accordance with the ISM Code;
- (b) the conduct of intermediate and renewal audits for compliance with the International Ship and Port Facility Security Code;
- (c) the conduct of any periodical or renewal inspection for compliance with ILO Convention No. 178 Inspection of Seafarers Living and Working Conditions;
- (d) the conduct of any periodical or renewal inspection for compliance with ILO Convention No. 92 and No.133 Crew Accommodation on Board Ships;
- (e) the issue of any certificate, document of compliance or report associated with (a) to (d), except for the issue of a Continuous Synopsis Record (CSR)
- (f) the issue of any ships statutory certificate replacing one previously issued by the Department, except for the issue of a Continuous Synopsis Record (CSR);

(2) The Alternative Fee shall be £180 per ship per month and may be paid on a monthly, quarterly or annual basis and the operator shall pay the fee or first instalment of the fee as appropriate within 30 days of the date of entry into the scheme.

(3) If an operator fails to pay fees as required under (2) their vessel or vessels shall no longer be entitled to the services specified at (1) and any future services shall be charged on the basis of the fees set out in regulations 5, 7 and 8.

(4) Fees paid under the Alternative Fees Scheme are non-refundable.

EXPLANATORY NOTE

(This note is not part of the Regulations)

The Merchant Shipping (Fees) Regulations 2006 prescribe charges for services carried out by the Marine Administration, Department of Trade and Industry. They revoke and replace the previous fees regulations SD 64/05 Merchant Shipping (Fees) Regulations 2005.

Please note the new fee structure in these Regulations will be implemented from the 1st April 2006.

The fees represent a 5% increase over the previous year, with the exception of fees for fishing vessels, pleasure vessels and alternative fees, which remain unchanged. However, the fee for fishing vessel radio survey has increased to £90.
