EXPLANATORY NOTE

(This note is not part of the Regulations)

These Regulations amend the Income Support (General) (Isle of Man) Regulations 2000 (“the Income Support Regulations”).

Regulations 1 to 3 are introductory (title, commencement and introduction).

Regulation 4 amends paragraph 19 of Schedule 5 to the Income Support Regulations. Paragraph 19 specifies the applicable amount in the case of lone parents who are incurring relevant child care charges who are either: (a) over compulsory school age and in relevant education; (b) full-time students; or (c) attending an approved training course, including the relevant maxima. New paragraph 19(1) provides that those maxima apply in respect of each child in the claimant’s family (regardless of how many children there are in the family) and that higher maxima apply in respect of any child under age 2 in the claimant’s family than for older children.
