EXPLANATORY NOTE

(This note is not part of the Regulations)

These Regulations further amend the Emergency Powers (Coronavirus) (Continuation) (No. 2) Regulations 2020 (“the principal Regulations”) to make further modifications to the Emergency Powers (Coronavirus) (Entry Restrictions) (No. 2) Regulations 2020 (“the Entry Restrictions Regulations”) that continued in operation under the principal Regulations.

The amendment is to clarify that Direction Notices given under regulation 7 of the Entry Restrictions Regulations to a registered resident wishing to enter the Island may be given before or upon the arrival of the registered resident; and that if a Direction Notice is issued under regulation 7(13) it replaces the Direction Notice (if any) that was issued under regulation 7(12).
